

LED TV SERIES 5

PRODUCT HIGHLIGHTS

22" LED HDTV

- LED picture quality
- Turn your HDTV into a multi-media center
- Samsung LED with Ultra Slim bezel

A unique TV that makes sharing memories as easy as watching movies.

The Samsung UN22D5000 LED TV lets you watch your favorite movies and memories, both, with incredible LED picture quality on a 22-inch LED. Advanced ConnectShare Movie technology lets you plug in a thumb drive or other USB device right into your TV, and play media files using your remote to control it all. When it's time to switch over to movie titles and TV programming, the powerful 1080p resolution delivers a clear and captivating picture. And for those looking to match a more unique décor, the ultra thin bezel design in white lends a different, lighter look.
