## ConnectShare Movie

ConnectShare Movie lets you watch videos, play music or view photos from a USB drive. Simply plug your USB directly into your Samsung TV's USB port and watch on the big screen with friends and family.

## Anynet +

Take all your remotes and condense them into one simplified solution. With Samsung's Anynet+ you'll enjoy one-touch control for all your HDMI-connected compatible devices like your Samsung TV, Blu-ray Disc player, AV Receiver and Home Theater.

## 4 HDMI

With HDMI, you can easily connect up to four compatible AV devices at the same time and replace AV cables with a single solution. An HDMI cable can replace anywhere from two to five cables so you can de-clutter your entertainment space with fewer wires.
