### Sync media from multiple devices with AllShare

AllShare™ syncs your digital devices so you can enjoy music, movies and photos from your PC, camera and mobile devices, on your larger TV screen. Connects you to multiple PCs, as well.

### Sharp images and bright colors with Full HD 1080p

In the 1920x1080 full high definition resolution, 1,080 horizontal lines create sharp details and crystal-clear, smooth motion for the brightest, boldest colors and realistic picture.

### Images pop with Mega Dynamic Contrast Ratio

Mega Dynamic Contrast Ratio provides crisp images with sharper details so that scenes pop off the screen. This dynamic contrast ratio yields a pure prism of color - from the deepest blacks - to the brightest whites.

### Ultra Slim Design (1.2" deep)

The latest HDTV technology inside an innovative, razor-thin design - only 1.2" deep. These ultra-slim LED TVs are supported by a

unique stand and crystal-clear neck, and conveniently fit in any room, allowing more room for other electronic "toys" and equipment.

### Smart light sensor reduces energy

Unique light sensor measures the intensity of a room's light and automatically adjusts screen brightness. If the ambient light is sunny, the picture shines brighter; in darker surroundings, the intensity is reduced.

### Stylish TV frame with Touch of Color design

Make an artistic statement with a design that naturally blends subtle color gradations into the standard TV and computer monitor frames.

### Wide Color Enhancer brings color to life

Every color on the RGB spectrum is brought to life with this unique 3D color-stretching technology that saturates each pixel until it achieves the true color nature intended.

### One simple remote control with Anynet+

Eliminate the clutter and confusion of too many remotes by combining them into one, simple control. All HDMI-connected compatible devices such as TV, AV receiver and home theater are united in a convenient one-touch device.

### 4HDMI: 1 connection, 4 shared devices

4 compatible AV devices can now be connected to your TV at the same time, without all the tangled, cluttered cable wires, so you can share digital content quickly and securely.
